City Council Committee Meeting Room

Aloha,

My name is SENATOR MAILE SHIMABUKURO

I write in support of Councilmember Kymberly Pine's proposed CD1 amendment to **Project No. 1998130, Recreation District No. 3 Improvements** in Bill 12 to include implementation of the Master Plan for Pu'u O Hulu (Maili Kai) Community Park.

In 2002, the City developed the Pu'u O Hulu Community Park Master Plan which includes a comfort station, picnic tables, parking facilities, landscaping, regulation softball field, little league baseball field, soccer fields, skateboard park, playground, basketball courts, volleyball court, and recreation center.

Pu'u O Hulu Community Park serves a growing community of over 800 households. The community currently uses the park for a range of recreational activities, including youth football, baseball and soccer leagues. For these reasons, basic improvements consistent with the Master Plan, including construction of a comfort station, adequate landscaping, and a parking lot, are needed to serve the young and growing community. For these reasons I **support** this amendment, which seeks to implement the Pu'u O Hulu Community Park Master Plan.

Thank you for the opportunity to share our views with you and I kindly request your support  
On this Bill 12, CD1 amendment.
